CREATE A LASTING TRIBUTE
ADOPT A TREE

Do you have a tree at Green-Wood that you’re especially fond of? Green-Wood’s 478 acres sustain nearly 8,000 trees, some older than the cemetery itself, and they are a treasured feature of the serene and sheltering landscape. You can adopt any one of Green-Wood’s magnificent trees today and create a living memory to honor a loved one, commemorate an important milestone, or express your abiding love for Green-Wood. A plaque, bearing a personal message and the species name, will be placed on your adopted tree.

1-Year Adoption: $100
5-Year Adoption: $400
10-Year Adoption: $700

ADOPT A BENCH

Adopting a bench is a graceful and thoughtful way to memorialize a loved one, a special occasion, or simply show your dedication to the natural landscape. These iconic teak benches – the same design that graces many public spaces in New York City, including Central Park and Riverside Park – are situated in the most picturesque areas of Green-Wood and provide a place for respite and reflection. Your generosity will be marked with a plaque, bearing a personal message, on the adopted bench. Or, make an eco-friendly decision to adopt one of Green-Wood’s Green Benches. Made mostly of recycled materials, these elegant benches are both hardy and environmental. Green Benches are found in three locations at Green-Wood – the Columbarium, Locust Grove, and Hillside Mausoleum.

Teak Bench: $1,500
Green Bench: $1,000

Green-Wood
500 25th Street, Brooklyn, NY 11232
