# FOREVER FLOWERS 2020

## INTRODUCING

Our New Heritage  
& Landmark Flower  
Collection

Lifelike custom arrangements  
designed specifically for the  
crypt-front vases located in  
Hillside, Crestview, Locust  
Grove, Garden and Indoor  
Mausoleums.

Our new seasonal selection process begins with  
Fall 2020 through Summer 2021. Please make  
your four seasonal selections (Renewal Form  
enclosed) from either our Heritage or Landmark  
Collection. Each collection offers a specific  
selection of high quality hand crafted flowers.  
Selections are to be made by group only. You  
may not mix and match flowers between groups.  
Individual arrangements may vary slightly from  
the design chosen.
