Art in the Cemetery

Did you know cemeteries predated and inspired many art museums? With over 200,000 works of outdoor sculpture, contemporary installations by world-famous artists, and masterpieces of nineteenth- and early twentieth-century architecture, there's so much to see, sketch, and discover.

- **NEW! Wonderous Windows: Stained Glass at Green-Wood** (Grades 3K-5)
- **Marvelous Monuments** (Grades K-5)
- **Stories in Stone: Scavenger Hunt and Sketching** (Grades 2 and up)
- **Architecture of the Afterlife: Tour with Sketching** (Grades 4 and up)

Nature in the Cemetery

Green-Wood may be a cemetery, but it's full of life. In fact, it's a level III accredited arboretum! Guided by one of our expert environmental educators, your class will discover the trees, wildlife, and management practices that bring our cemetery to life. Each standards-based program includes exploration, tools, and materials for observation and hands-on learning.

- **Great Trees of Green-Wood Sensory Walk** (Grades 3K-2)
- **NEW! Frozen In Time: Discovering Green-Wood's Glacial Past** (Grades 3K-5)
- **Investigating Insects** (Grades 3K-5)
- **Bird Behaviors and Adaptations** (Grades 2-8)
- **Plants and Pollinators** (Grades 2-8)
- **Cemetery Geology** (Grades 2-8)
- **Trees in the Urban Forest** (Grades 3-8)
