## School Programs 2025-2026

**The Green-Wood Cemetery: A National Historic Landmark**

500 25th St. Brooklyn, NY, 11232 | [green-wood.com](https://green-wood.com)

Green-Wood may be a cemetery, but it's full of life. In fact, it's the most highly accredited arboretum in New York City! Guided by one of our expert environmental educators, your class will discover the trees, wildlife, and plants that bring our cemetery to life. Each standards-based program includes exploration, tools, and materials for observation and hands-on learning. Program offerings and activities vary seasonally, and are tailored to multiple grade levels.

- **Urban Birding Basics**  
(Grades 3K-8)
- **Seasons in our City: Sensory Nature Exploration**  
(Grades 3K-1)
- **Great Trees of Green-Wood**  
(Grades 3K-1)
- **Biodiversity in Bloom: Plants and Pollinators\*\***  
(Grades 3K-8)
- **Frozen In Time: Investigating Green-Wood's Glacial Past\***  
(Grades 2-5)
- **Trees in the Urban Forest**  
(Grades 2-8)

*\*\*Only available May-October.*

*\*Only available as a trolley program.*

## Graveside History

Students visit the graves of Green-Wood's most fascinating "permanent residents," our most poignant memorials, and even a 1776 battlefield. Programs include small group work and discussion. All programs are for Grades 4 and up, unless otherwise noted.

- **Black History at Green-Wood**
- **Women's History at Green-Wood**
- **The American Revolution at Green-Wood**
- **Lives of the Civil War at Green-Wood**
- **LGBTQ+ History at Green-Wood**
- **Innovators and Activists of Green-Wood**
- **Immigration History at Green-Wood**  
(Grades 2 and up)

## Art in the Cemetery

Did you know cemeteries predated and inspired many art museums? With over 200,000 works of outdoor sculpture, contemporary installations by world-famous artists, and masterpieces of nineteenth- and early twentieth-century architecture, there's so much to see, sketch, and discover.

- **Wonderous Windows: Stained Glass at Green-Wood\***  
(Grades 3K-5)
- **Marvelous Monuments\***  
(Grades K and up)
- **Stories in Stone**  
(Grades 2 and up)
- **Architecture of the Afterlife**  
(Grades 4 and up)

*\*Only available as a trolley program.*
